

# European Union Grants and Calls for Proposals

Many institutions, companies, industries, NGO, associations would like to get involved in European Union programmes and are looking for professional support support. The Eueropean Union offers many different programmes which are financed by a variety of sources. CCIP is the best direct bridge between the European institutions providing funds. Do you need funding? Are you planning to build up projects with local and European partners? Do you like to interact with the EU institutions and be involved in actions or projects?

We can offer you:

- a proactive approach to the funds;
- identifying targeted funds for your project;
- searching the best project partners and building your consortium;
- ensuring administrative and financial management of the EU project;
- promoting your project - Project lobbying
- drafting the application
- planning the perfect budget and optimising the grants for you and your partners;
- negotiating the contract with the funding authority
- managing the project and coordinating the european partnership consortium;
- communicating and disseminating results.
